

## Routes to year 2 – Betonica Medical Herbalist Training Programme

We understand that there are many one-year courses available but students can get stuck and are unable to progress with their training. Therefore, we ensure we have places available for students to start in year two of our course if they are able to meet our prerequisites.

Please note, due to the small class sizes we are heavily oversubscribed, ensure you apply before the **12/04/19**.
